[No. F. 1/8/68-GC-II-]

S. O. 3116.—In exercise of the powers conferred by sub-section (1), read with clauses (a) and (b), sub-clause (iii) of clause (d) and clause (j) of sub-section (2), of section 114 of the Gold (Control) Act, 1968, the Central Government hereby makes the following rules, namely:—

PART I-Preliminary

- 1. Short title and commencement.—(1) These rules may be called the Gold Control (Specifications of Standard Gold Bars and Conditions of Refining) Rules, 1968
- (2) They shall come into force on the date of their publication in the Official Gazette,
 - 2. Definitions.—In these rules, unless the context otherwise requires,—
 - (a) "authorised Gold Control Officer" means the Gold Control Officer authorised by the Administrator to perform such functions as may be specified in such authorisation;
 - (b) "Form" means a Form specified in Schedule IV:
 - (c) "Act" means the Gold (Control) Act, 1968 (45 of 1968):
 - (d) "refiner" means a refiner licensed under the Act.
 - (e) "Refinery Officer" means the Gold Control Officer attached to a refinery under rule 7:
 - (f) "section" means a section of the Act;
 - (g) "Schedule" means a Schedule appended to these rules;
 - (h) Words and expressions used in these rules and not defined but defined in the Act have the meaning respectively assigned to them in the Act.

PART II-Specifications of Standard Gold Bars

- 3. Fineness, dimensions and weight of a standard gold bar.—Every standard gold bar shall be of such fineness, dimensions and weight as are specified in Schedule I.
- 4. Moulds and dies to be obtained from Government Mint.—No refiner shall manufacture any standard gold bar except with the help of moulds and dies obtained by him from a Government Mint.
- 5. Weighment.—Every standard gold bar manufactured at a refinery shall be weighed in the presence of the Refinery Officer before it is deposited in the place of storage approved by the Refinery Officer and shall be entered in the Register of Standard Gold Bars, which shall be in Form I.
- 6. Particulars to be stamped on a standard gold bar.—Every refiner shall put a stamp containing the particulars specified in Schedule II on each standard gold bar manufactured at the refinery.
- PART III—Conditions, restrictions and limitations under which refining of gold shall be made.
- 7. Refinery Officers.—There shall be attached to every refinery such number of Cold Control Officers as may be necessary for the purpose of supervising the work done in the refinery.
 - 8. Receipt of gold.—Every refiner shall—
 - (i) before receiving any gold from any person satisfy himself as to the identity of the person delivering or selling gold and that the gold has been declared or included in prescribed books of accounts or returns if the gold is required to be declared or accounted for in a return or accounts;

- (ii) receive and weight such gold in the presence of the refinery officer;
- (iii) prepare a serially numbered receipt in triplicate for the gold delivered or sold to him and hand over the original copy thereof to the person by whom the gold was delivered and sold to him, duplicate to the Refinery Officer and retain the triplicate copy with him. The Refinery Officer shall send, in monthly batches not later than the 7th of the month immediately following the month in which they were delivered, the receipts received by him to the authorised Gold Control Officer within the local limits of whose jurisdiction the refinery is located;
- (iv) check the purity of every gold received by him by touchstone or acid method and enter such purity in a register in Form II to be known as "Register of gold received"; but where it is not possible to check the purity of gold, such gold shall be stored separately and thereafter such gold shall be melted in the presence of the refinery officer and the purity of gold as ascertained from the melted gold shall be entered in the register of gold received;
- (v) enter the weight and other particulars of every gold received by him in the Register of gold received:
- (vi) keep gold received from each person in separate sealed bags;
- (vii) keep every such sealed bag in an iron safe cupboard or such other place as may be approved for the purpose by the refinery officer.
- (wifi) enter distinctly and separately the gold received from any person engaged in refining silver or recovered from the refiner himself in the process of refining silver in the "Register of gold received" suitably in column 4 of that register that the particular receipt is from a silver refiner or, as the case may be, recovery made by him as a result of refining silver.
- 9. Working hours of refineries.—No refinery shall operate on any day other than a working day and for more than eight hours in a day.
- (2) The period of eight hours referred to in sub-rule (1) shall ordinarily be between 18-00 hours and 18-00 hours but the Gold Control Officer not below the rank of Collector of Central Excise or of Customs may, having regard to the local conditions and usages, specify any other hours.
- (3) Notwithstanding anything contained in sub-rules (1) and (2), a refinery may operate on a holiday or on a working day before or after the specified hours if—
 - (i) intimation, in writing about such operation is given 24 hours in advance to the Refinery Officer, and permission of the Refinery Officer is obtained for working the refinery beyond the prescribed hours;
 - (ii) payment of overtime supervision charges is made at the rates prescribed by the Government from time to time for Central Excise Officers.
- 10. Security of Refineries.—(1) Every refiner shall take such steps as would ensure that when the premises are closed, no one has any ingress into, or egress from, the refinery.
- (2) Every iron safe, cupboard or place (inside a refinery) where gold is kept prior or subsequent to refining or where gold, being in the process of refining, is stored pending the completion of such process or where the stamps or moulds for the making of standard gold bars are kept when not in actual use, shall be fully closed and the doors thereof shall be under double lock and the keys of one of such locks shall be with the refiner and the keys of the other lock shall be with the Refinery Officer.
- II- Processing.—(1) For the purpose of processing, gold shall be issued for refining under the supervision of the Refinery Officer and every gold issued for refining shall be entered in the Register of Processing, which shall be in Form III.
- (2) Every lot of gold which is issued for processing shall be entered in a process card containing the following particulars, namely:—
 - (i) the serial number on the Register of Processing;
 - (iii) date of issue of the gold for processing-
 - (III) the weight of gold issued for processing; and
 - (iv) the weight of gold received after processing.

- 12. Samples.—(1) Every refiner shall draw dip samples, in duplicate in the presence of the Refinery Officer, from each processing lot melted for refining (i.e. before the addition of silver or other metals required to be added for refining). These samples shall be preserved by him in properly identifiable bags until such time as the process or refining of the particular lot of gold to which such sample relates has been completed and the gold refined has been tested and particular thereof have been entered in the Register of Processing.
 - (2) The Refinery Officer may, in his discretion-
 - (i) select any one or more of the samples referred to in sub-rule (1), or
 - (ii) take from the refinery such fresh dip or cut samples of gold as he may think fit, and forward such samples to the Mint for assay or test.
- (3) Where a sample is sent to the Mint for assay, the duplicate of that sample shall be kept in a sealed bag in safe custody with the refiner pending receipt of the report of assay or test.
- (4) Any officer of a Government Mint authorised by the Administrator in this behalf may—
 - (i) make such visits to a refinery as he may think fit;
 - (ii) select any of the samples referred to in sub-rule (1);
 - (iii) take samples of gold, at random, at its molten stage and test its fineness:
 - (iy) take, at random, cut samples of standard gold bars for testing their fineness and return such cut pieces to the refiner after such test;
 - (v) take samples at random, of standard gold bars in stock with the dealers or goldsmiths, and
 - (vi) check the weight and other particulars of the standard gold bars manufactured at the refinery.
- (5) (a) Where a sample is sent to the Government Mint for assay or test, the cost of transportation of such sample to and from the Mint shall be borne by the Government.
- (b) The sample shall be returned to the refiner after it has been assayed tested.
- (c) The loss if any, occurring in assaying or testing any sample shall not be borne by the Government.
- (6) Every authorised Gold Control Officer may pay any visit to a refinery and may make such checks or cross-checks of the tenders of gold received for refining, the lot issued for, or under, processing, and the standard gold bars manufactured therein, with reference to the entries in the register and accounts maintained by the refiner or otherwise, as he may consider necessary or appropriate.
- 13. **Delivery.**—(1) No standard gold bar shall be sold, delivered, transferred or otherwise disposed of to any person other than—
 - (i) a licensed dealer; or
 - (ii) a licensed refiner; or
 - (iii) a certified goldsmith, or
 - (iv) any person specially permitted or authorised by the Administrator to receive such gold.
- (2) The refiner shall make out vouchers, in triplicate, and shall hand over the original copy of the voucher to the person to whom the gold has been sold or delivered, the duplicate copy to the Refinery Officer and retain the triplicate copy of the vouchers. The Refinery Officer shall send, in monthly batches, not later than the 7th of the month immediately following, the copies of vouchers received by him, to the authorised Gold Control Officer, within the local limits of whose jurisdiction the refinery is located. The voucher shall include—
 - (i) the serial numbers of the standard gold bars sold or delivered by him with the date of manufacture thereof;
 - (ii) the particulars of the persons to whom such gold bar is sold or delivered, and the number of the licence, certificate, authority or permit held by him.
- 14. Every refiner shall maintain a daily account of his stock of gold in Form IV.

- 15. Remnants.—(1) Whenever any remnants of less than ten grammes remain after the manufacture of standard gold bars, such remnants of gold may be included in the subsequent processing lot and entries showing that they have been so included shall be made under the third column of the Register of Processing.
- (2) Where gold delivered by the dealer or goldsmith does not, on refining, yield complete bars of any specified dimensions and weight or some remnants remain, the refiner may—
 - (i) appropriate such gold or the remnant and pay to the dealer or gold-smith the price of such gold or remnant as the case may be, or deliver a complete standard gold bar of the nearest dimension to the dealer or goldsmith and recover the price of the balance of the gold used to completing the standard gold bar, or
 - (ii) keep a running account in relation to the remnants belonging to such dealer or goldsmith and make adjustments for the remnants in the deliveries made subsequently to the same dealer or goldsmith.

PART IV-Miscellaneous

16. Recission and savings.—On the commencement of these rules, the orders, published with the notifications of the Government of India in the Ministry of Finance (Department of Revenue and Insurance), specified in Schedule III, shall stand rescinded:

Provided that anything done or any action taken under the orders so rescinded shall so far as it is not inconsistent with the provisions of these rules, be deemed to have been done or taken under the corresponding provisions of these rules.

 - (ii) in the case of a licensed dealer, in form No. G.S. 17.
- (2) Every such return shall be furnished for every quarter of the year and within fifteen days of the close of the quarter to which it relates.

(Explanation.—For the purposes of this rule, "quarter" means a period of three months commencing on the first day of January, on the first day of April, on the first day of July, and on the first day of October in each year.

- 16. Permit and authorisation.—(1) Every application for the grant of a permit or authorisation for the acquisition of gold shall be—
 - (i) in the case of a permit, in form No. G.S. 18; and
 - (ii) in the case of an authorisation, in form No. G.S. 19.

(2) The fee for the grant of such permit or authorisation shall be rupees five and every application referred to in sub-rule (1), shall be accompanied by a treasury challan or Central Excise Revenue Stamp evidencing payment of the said fee:

Provided that where the special circumstances of the case so require, the feemay be waived by the proper officer authorised to issue such permit or authorisation.

- (3) Every permit or authorisation for acquisition of gold, referred to in the Act, shall be-
 - (i) in the case of a permit, in form No. G.S. 20; and
 - (ii) in the case of an authorisation, in form No. G.S. 21.
- (4) The Administrator may cancel any permit or authorisation issued under the Act to any person if—
 - (a) such person ceases to carry on the business of manufacturing goods for which the gold was permitted or authorised to be acquired;
 - (b) such person has contravened any of the provisions of the Act, or any rule or order made thereunder, or the provisions of any other law for the time being in force in so far as it prohibits or restricts the bringing into or taking out of India of any goods (including coins, currency, whether Indian or foreign, and foreign exchange) or dealings in such goods by way of acquisition or otherwise;
 - (c) such person applies for cancellation thereof:
 - Provided that no permit or authorisation shall be cancelled under clause (a) or clause (b) above unless reasonable opportunity has been given to the holder thereof to show cause against the proposed action.
- (5) Where an application for a permit or authorisation is rejected, the free deposited in respect thereof shall be refunded to the applicant by the proper officer.
- 17. Forms for maintaining record of gold and of declaration.—The record of gold referred to in section 26 shall be maintained in form No. G.S. 22 and the declaration referred to in that section shall be made in form No. G.S. 23.
- 18. Samples.—The authority referred to in section 101 (1)(b) to which samples of gold may be sent for assay or analysis shall be the Mint of the Government of India.
